**Revised**
**July 2012**

HIV Prevention Materials are provided through Co-operative Agreement 3U62/PS823459-05S1 Revised with the Centers for Disease Control and Prevention.

As provided in the guidelines published in the *Federal Register* on June 15, 1992 all HIV Prevention Materials used by federally-funded programs must comply with the requirements outlined in *Content of AIDS-Related Written Materials, Pictorials, Audiovisuals, Questionnaires, Survey Instruments, and Educational Sessions*. A state review board is in place to assess materials to meet these standards.
