Zoonotic Disease/Adverse Health Events Report from Wyoming Regional Veterinary Public Health Coordinators For Week Ending 3/25/2011

(Based on Reporting from 26 Veterinary Clinics and Other Sources)

Matthew Cherni, DVM- Region 1 (Sheridan, Johnson, Campbell. Crook, Weston)

Sheridan County-A veterinarian reported the poisoning of two dogs due to ingestion of a rodenticide.

Richard Schwahn, DVM- Region 2 (Natrona, Converse, Niobrara)

Nothing to Report

David Evertson, DVM- Region 3 (Carbon, Albany)

Carbon County-A veterinarian reported on the death of two calves with a confirmed salmonella infection.

Albany County- A veterinary clinic reported two cases of canine parvovirus (not zoonotic). The Albany County Sheriff Department/Animal Control reported on the Shelter quarantine of an unvaccinated cat. The cat had bitten the cat's owner.

Paul Jensen, DVM, MPH- Region 4 (Sweetwater, Lincoln, Uinta)

Uinta County-Health care providers reported two dog bite incidents. Animal control information on the status of the dogs is pending. Circumstances surrounding the incidents included an individual bitten while trying to breakup a dog fight and an individual bitten while trying to free a dog caught in a fence. Also reported was a child bitten by a rat. Animal control status of the rat is pending. The child was feeding the rat to a pet snake at the time of the incident.

Jim Summers, DVM- Region 5 (Fremont, Sublette, Teton, WRIR)

Sublette County-A veterinarian reported on a group of steers condemned at slaughter due to sheep liver fluke (*Fasciola hepatica)* infections.

T**im Graham, DVM**- Region 6 (Park, Hot Springs, YNP, Big Horn, Washakie)

Park County- A health care provider reported on the veterinary clinic quarantine of a vaccinated, but not current, dog.

WGFD-Wyoming Game and Fish Department
WSVL-Wyoming State Veterinary Laboratory
