2011 Income Guidelines

Our 2011 Income Guidelines are enclosed and can also be found on our website: www.health.wyo.gov/PHSD/bccedp

Wyoming Breast & Cervical Cancer Early Detection Program Poster

We have enclosed a "Screening Saves Lives" mini-poster. Please post in your office/clinic. If you would like more copies, contact Denise Padilla at 307-777-3480.

Quick Eligibility Requirement Guide

The quick Eligibility Requirement guide will aid front-line staff members to quickly determine "at a glance" if a woman is eligible for our program. The expanded Client Eligibility Guidelines that were mailed previously are more appropriate for clinicians.

Updated Provider On-line Training

Our on-line Provider Training has been updated – see enclosed flyer. Check it out on our website: **www.health.wyo.gov/PHSD/bccedp**

Casting for Recovery

Casting for Recovery is a support and educational program for breast cancer survivors. This non-profit organization based in Vermont is offering a weekend fly-fishing retreat at no cost to participants for women of all ages and in all stages of breast cancer treatment and recovery who live in Wyoming. Please share the enclosed flyer with women who may be interested in this opportunity. Thank you!

Wyoming Colorectal Cancer Screening Program

Did you know the Wyoming Department of Health has a Colorectal Cancer Screening Program that pays for colonoscopies for Wyoming residents who cannot afford the procedure? See the enclosed brochure for more information.

Thank you for being a participating provider with our program and serving Wyoming women.
