Mellody Anna Icenogle

June 15, 1961 - April 21, 2013

Wyoming EMS lost a true friend. Mellody Icenogle was a long time volunteer firefighter and EMT. She, and her husband Chris, were consistent volunteers in their local system and have supported the Wyoming Trauma Conference for many years. Chris described her this way:

"She is my best friend, my dearly loved wife, my guide through troubled times, my partner, a beloved mother, not only to our children but to many of their close friends, and a grandmother so dear to her grandchildren, it was a bond that motivates writers to create fairy tales and legends. She is a sister, a daughter, an aunt who is always willing to help in any way, while offering support with the most beautiful smile and endearing heart."

She leaves behind a husband, son, daughter, stepson, six grandchildren whom she deeply loved, and a multitude of people that were impacted by her generous and loving personality.

A memorial service will be held in her honor on Saturday, May 11, 2013 at 10:00 A.M. in the Three Trails Room in the Casper Events Center. As per Mellody's request; a potluck celebration of her life will be held at the Observation Deck of the Natrona County International Airport. She always said, "The best foods come from the heart and home".

Mellody particularly supported our Trauma Conference by promoting the 50/50 raffle. In honor of Mellody, we will be renaming the raffle as the *Mellody Icenogle 50/50.* The proceeds from this year's raffle will be donated to the "Mellody Ice Kickin' Cancer Fund."

Any memorial contribution should be made to the "Mellody Ice Kickin' Cancer Fund", Hilltop National Bank, 300 Country Club Road, Casper, Wyoming 82609.
