TOTAL	25	15	1	3	6	19	52	598

Presumptive viremic donor (PVD) is a person whom tested positive for West Nile Virus upon blood donor screening. PVDs are usually asymptomatic, are not included in human case counts, and are another indication of virus activity in an area.
Counties not listed did not report any West Nile Virus activity or surveillance activities.

For questions, comments or to report West Nile Virus activity, please contact
Emily Thorp, Surveillance Epidemiologist
(307) 777-8634 or Emily.Thorp@wyo.gov.
