

## Hazelden's MIP Programs for Adolescents

### Teen Intervene

Package Includes:

Facilitator Guide

CD-ROM contains worksheets and standardized assessment forms, all of which are reproducible and can be downloaded from a PDF file when you need more copies.

Item # 2205/\$249.00

Research has shown that brief interventions of two or three one-hour sessions work best with adolescents who experience mild to moderate chemical dependency. Teen-Intervene is a research-based program combining stages of change, motivational enhancement, and cognitive-behavioral theory. The author, Ken Winters, is an industry leader in the assessment and treatment of adolescent drug abuse.

Teen Intervene is Recognized by [National Registry of Evidence-based Programs and Practices](#)

Earn CE hours! This NAADAC-approved manual includes a posttest worth eight CE hours upon successful completion.

## Hazelden's DUI Programs for Adults

### DUI/DWI CD-ROM and DVD

Package Includes:

CD-ROM contains a facilitator guide, presentation materials, and reproducible client handouts that enhance the impact of the video.

DVD-ROM that features real stories from people whose lives have been forever changed by the decision to drink and drive.

Item#4758/\$99.00

Ideal for adult offenders, DUI/DWI: Make This One Your Last One, provides compelling content and no-nonsense information in a way that offers an alternative to ineffective scare-tactic programs. Make This One Your Last One has been revised and expanded into a mini-curriculum. This updated (2010) program includes the most current statistics and information about the dangers and consequences of drinking and driving and includes four hours of instruction.

Developed with consultation from Stephen M. Simon, M.D., founder and director of the Minnesota Criminal Justice System DWI Task Force.

For participants interested in completing an alcohol self-assessment, the CD-ROM also includes the Michigan Alcohol Screening Test (MAST) and the T-ACE alcohol self-assessment.

### Who's Driving DUI/DWI Program

Item # CR519/\$205.00

Who's Driving, a component of the A Design For Living program, offers key insight into the world of drinking and driving and the consequences of such actions. Intended for first-time DUI/DWI offenders, this product provides clients with information regarding the effects of alcohol and drugs on driving skills, the effects on others that alcohol abuse can carry and myths and misconceptions on addiction. Who's driving is an essential guidebook for individuals dealing with the consequences of drinking and driving and wanting to pursue a safer, more motivating lifestyle.
