WINASAP Training Manuals – Click on the Highlighted Manual and Print

Nursing Home - 09/17/2003 (2,661 K)	HCFA (Professional)- 09/17/2003 (2,678 K)
Waiver - 1/2007 (2,471 K)	Institutional - 09/29/2003 (2,381 K)
Dental - 09/29/2003 (2,355 K)	Upgrade Instructions - 02/20/2007 (1,674 K)

This manual will walk you through the WINASAP Download instructions. The WINASAP software is large in size. Download times will vary upon actual connection speed.

Minimum System Requirements for Installation of WINASAP software:

- Windows 93 Second Edition or higher operating system
- Pentium or equivalent processor
- CD-ROM
- 50 MB of Hard Drive space
- 64 MB of RAM
- 2400 Baud Modem
- Dial up modem connectivity

To download the WINASAP software to your computer, click the 'Download WINASAP' button on the Software screen accessed through the first screen and:

Microsoft Internet Explorer Users
Select the 'Save to disk' option from the File Download box. Choose the location to which you want to save the software and click 'OK.' The software will be saved to the location you specified and you may open it by clicking on the program name. Or, choose the 'Run this program from its current location' option. This will take longer than a standard download but the program will extract itself and start installing immediately upon download.

Netscape Navigator Users
In the 'Save As' dialog box, choose the location to which you want to save the software and click 'OK.' The software will be saved to the location you specified and you may open it by clicking the program name.
